Critical Incident Policy

St. Patrick's N.S. aims to protect the wellbeing of our pupils & staff by providing a safe and nurturing environment. The B.O.M., through the Principal, has drawn up the following Critical Incident Management Plan.

What is a Critical Incident?

'A critical incident is any incident or sequence of events which overwhelms the normal coping mechanism of the school and disrupts the running of the school'.

Critical incidents may involve one or more students or staff members, their family members or members of the local community.

Examples:

- The death of a member of the school community through accident, violence, suicide or suspected suicide or other unexpected death.
- An intrusion into the school.
- An accident involving members of the school community.
- The disappearance of a member of the school community.
- Serious damage to the school building through fire, flood, vandalism etc.
- A national or regional disaster/incident
- A Critical Incident Management Team has been formed:

Leadership Role:	Mrs Jennie Kirwan (Principal)
Communication Role:	Ms Jenny Newton (Deputy Principal)
Student Liaison Role:	Ms Orla Furney
Chaplaincy Role:	Rev. Bruce Hayes
Family Liaison Role:	P.T.A. Chairperson & 2 Parent Representatives on B.O.M.

Record Keeping

In the event of an incident, each member of the team should endeavour to keep records of phone calls made and received, letters sent and received, meetings held, persons met, interventions used, materials used, etc. *See Appendix.1.*

All records are retained in a manner consistent with our Data Protection Policy.

Confidentiality:

The management and staff have a responsibility to protect the privacy and good name of the people involved in any incident and will be sensitive to the consequences of any public statements. The members of school staff will bear this in mind, and will seek to ensure that students do so also. For instance, the term "suicide" will not be used unless there is solid information that death was due to suicide, and that the family involved consents to its use. The phrase 'tragic death' or 'sudden death' may be used instead. Similarly, the word 'murder' should not be used until it is legally established that a murder was committed.
