

# ST PATRICKS PTA NEWSLETTER

## Dear Parents and Guardians,

The PTA would like to extend a **huge thank you** to all parents and families who have supported fundraising efforts so far this year.

Because of your generosity and involvement, we've been able to fund and support some fantastic initiatives and experiences for the children in our school.

### So far this year your support has helped fund:

- Our beautiful new sensory room
- A Smartboard for Ms Scully's classroom
- Wellbeing Week and Active Week
- Our annual Halloween Disco with plenty of spooky treats
- Halloween Pizza Night for 5th and 6th class
- Subsidised 6th class hoodies
- A welcome morning for our Junior Infants and their parents
- Teas, coffees and treats for our AGM social evening and Nativity play gathering
- A special Santa visit for our junior classes
- Coaches for upcoming school tours

Through our recent Book Fair, parents also helped raise approximately €1,100 worth of book rewards for the school.

Many of these funds were raised through social events including our **Thermomix** evening which raised almost **€2,000** and the very popular **Dads' "Support Group"** night which raised an impressive **€700!**

The PTA relies hugely on the support of parents throughout the year and we are incredibly grateful to everyone who contributes, whether through donations, helping with set-ups, cleaning up afterwards, hosting events, or simply showing up to support the school community.

***None of this happens without you.***

Our **Summer Fete on May 9<sup>th</sup>** is one of the highlights of the school year, and we are currently looking for volunteers to help with stalls, games and the bouncy castle, and we would especially love to hear from anyone willing to help on the day.

We are also hoping to find one key contact person from the school community who can act as the main point of contact between the school and the parish organisers, with the support of the PTA.

**If you would like to get involved in any way, reach out to Sara 0873977991**
